STILL LOOKING FORWARD.

GUIDING LIGHT
THREE YEAR STRATEGIC PLAN 2019-2021
255 Division Ave S, Grand Rapids, MI 49503 | GuidingLightWorks.org
What an honor to be part of this wonderful ministry at this exciting time. Everyone loves playing for a winning team, with energy and excitement and the thrill of making an impact.

Guiding Light is about change—changing the course of each life to reflect God’s blessing for health, happiness, and spiritual peace. We are focused on bringing about this positive change in men’s lives and in our world. That is our calling and our passion.

This ministry is showing such growth, unimagined just a few years ago. Iron House, The Job Post, Back to Work and Guiding Light Recovery are yielding rich fruits for our men, the organization, and our community. These are new bridges of opportunity, helping men transition from rescue to recovery and full re-engagement.

We still do what we have always done—share Christ’s love by offering a hand to those at the end of their rope. Now we offer even more; real, sustainable recovery, supported by safe, affordable housing and employment that leads to full social re-engagement and personal restoration. **Men are meeting Christ, being saved, changed, and transformed.**

As the world changes, we must too, applying God’s insight and wisdom, remaining strategically focused and disciplined, yet nimble and responsive to new opportunities and challenges. We share the Good News by showing God’s love in a changing context with excellence.

We are a leader in comprehensive rescue, recovery, and re-engagement; helping each person realize his God-given potential and dignity while contributing to a healthy community.

**This Strategic Plan charts our course for the coming years.** It includes our Mission, Vision, Goal Statements and Objectives, Guiding Principles and our Dashboard. As our stakeholder partners, we hope you will look carefully at these vibrant plans to meet our God-given opportunities in the future.

Real change is hard work—whether that is in a life or an organization. It takes a vision and determined commitment, and it takes many hands. Nobody changes alone—that is true for our clients, and it is true for an organization. You will see this clearly in this Strategic Plan.

Guiding Light has been graced with many hands, big hearts and a clear vision that the Gospel we believe calls forth the good for every life, to heal every wound, realize every gift, repair every broken part of a person and his family and the community. **Thank you for being part of this amazing organization,** fulfilling this wonderful mission that impacts lives deeply and permanently, for the Glory of God and the coming of God’s Kingdom.
ONE DAY AT A TIME.

FOR 90 YEARS.
Guiding Light operates on the same principle as a three-legged stool. Each area of ministry – Rescue, Recovery, and Re-engagement – is as important as the other in creating balance in a life that seeks healing and a fresh start in Christ.

Rescue:

Each day Guiding Light provides safe and secure living arrangements for men who seek a way to self-sufficiency and dignity. This journey to self-sustainability, financial stability, and community contribution begins with the assistance of our Back-To-Work and Recovery programs. While at Guiding Light, men are provided all basic necessities, including a warm, clean, sober living environment, Christian fellowship and devotions, balanced meals, toiletries for improved hygiene, laundry, work equipment, use of our computer lab and internet, and accountability through the caring arms of the Guiding Light staff and volunteers.

Recovery:

Men in the Back-To-Work and Recovery programs are all in various stages of recovery: from homelessness, addiction, unemployment, extensive debt, bad credit, and spiritual struggles. This recovery is supported by intensive case management, clear expectations, high standards, and caring relationships in each program. Clients are provided support, resources, and advocacy to empower them in recovering from once overwhelming life circumstances to regain steady employment, stable housing, and renewed self-sufficiency. Education, therapy, support groups, and employment training are provided to give men the best opportunity for life-long sobriety and success.

Re-Engagement:

As men work to complete their prescribed programming, they become increasingly active in re-engaging with their communities. The most obvious aspects of re-engagement include full-time employment, safe and secure housing, and renewed relationships in the community. Additional services may include employment assistance, personal finance counseling and savings, initial transportation to work and job interviews, support group attendance, and encouragement to stay connected to Guiding Light for maintaining personal growth and development.
