

DAWN BUURSMAN

Dawn is a life-long native of West Michigan and is a Realtor with Homestead Realty. She and her husband Tim have stayed busy raising their four children and attending their many activities. She enjoys everything outdoors from hiking, to pickle ball to walking the family dogs. After seeing first-hand the transformation of men who have gone through Guiding Light's Recovery Program and learning that Guiding Light is so much more than a traditional "mission" with programs like Back to Work, the Job Post and Iron House, Dawn knew Guiding Light was an organization where she wanted to invest her time and talent.
