

G. ROBERT DEYOUNG

Bob was most recently the Manager of Operations and Clinical Services in the Department of Pharmacy at Mercy Health. He received his Doctor of Pharmacy from and completed a Clinical Pharmacy Residency at the University of Washington and has close to three decades of experience in healthcare. His areas of expertise include Clinical

Pharmacy in both physician office and hospital settings, and management with a focus on patient care. He has also supported payor and national and state government committees by providing expertise on drug therapy optimization and health care quality and safety. Bob heard about Guiding Light through acquaintances and showed a special interest in the Recovery program. He strongly believes in the Recovery program's design towards giving men continuous support and access to our sober living community at Iron House, which he deems as essential to the long-term success of many clients. Robert highly regards the structure of Guiding Light's social programs and their emphasis on long-term rescue, recovery, and rehabilitation efforts for men in Grand Rapids.
