INDEPENDENT AUDITORS' REPORT

Board of Directors Guiding Light Mission, Inc. Grand Rapids, Michigan

Report on the Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Guiding Light Mission, Inc. (a Michigan nonprofit organization) and Subsidiary, which comprise the statements of financial position as of June 30, 2022 and 2021, and the related statements of activities, functional expenses, and cash flows for the years then ended and the related notes to the financial statements.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of Guiding Light Mission, Inc. and Subsidiary as of June 30, 2022 and 2021, and the results of their operations and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Guiding Light Mission, Inc. and Subsidiary and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are

conditions or events, considered in the aggregate, that raise substantial doubt about Guiding Light Mission, Inc. and Subsidiary's ability to continue as a going concern for the next year.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether
 due to fraud or error, and design and perform audit procedures responsive to those risks.
 Such procedures include examining, on a test basis, evidence regarding the amounts and
 disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of
 expressing an opinion on the effectiveness of Guiding Light Mission, Inc. and
 Subsidiary's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Guiding Light Mission, Inc. and Subsidiary's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTE A – SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

Guiding Light Mission, Inc. and Subsidiary (collectively the "Organization"), located in Grand Rapids, Michigan, is comprised of a not-for-profit organization and its wholly owned for-profit subsidiary. Through the guiding light of God's Spirit, Guiding Light Mission partners with individuals to fulfill their God-given potential through rescue, recovery, and re-engagement in community.

Basis of Presentation

The financial statements of the Organization have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles for nonprofit organizations.

Net assets of the Organization are classified as follows:

Net Assets Without Donor Restrictions – Net assets that are available for use in general operations and not subject to donor restrictions. The governing board has designated, from net assets without donor restrictions, net assets for a board-designated endowment.

Net Assets With Donor Restrictions – Net assets that are subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Gifts of long-lived assets and gifts of cash restricted for the acquisition of long-lived assets are recognized as revenue when the assets are placed in service. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

Functional Allocation of Expenses

The costs to provide programs and other activities have been summarized on a functional basis in the statements of activities and in the statements of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Allocation percentages for employee salary/taxes/benefits were determined based on general time study of function tasks. Common costs of occupying facilities are allocated based on square footage used by activities.

NOTE A – SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Consolidating Policy

Included in the consolidated financial statements are the financial position and financial results of a wholly owned subsidiary. The Job Post is a for-profit subsidiary established to recruit, engage, and retain talent through hiring opportunities. All significant intra-organizational accounts and transactions have been eliminated.

Cash and Cash Equivalents

The Organization considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents.

Accounts Receivable

Certain donors have specified that their payment obligations will be satisfied over a predetermined payment schedule over the next several months. Management feels that all amounts recorded as accounts receivable at the end of the current fiscal year are fully collectible. Therefore, no reserve for uncollectible accounts is required.

Investments

Investments in marketable securities with readily determinable fair values are valued at their fair values in the statements of financial position. Unrealized gains and losses are included in the change in net assets.

Property and Equipment

Property and equipment are stated at cost. Donated items are recorded at fair market value at the date of gift. Expenditures for additions and improvements are capitalized. Expenditures for repairs and maintenance are expensed as incurred. Depreciation is computed over the estimated useful lives of the assets by the straight line method.

Revenue Recognition

The Organization adopted Accounting Standards Update (ASU) 2014-09, Revenue from Contracts with Customers and all subsequent amendments to the ASU (collectively, "ASC 606"), which supersedes most existing revenue recognition guidance and outlines a single comprehensive model for recognizing revenue as performance obligations, as defined in a contract with a customer as goods or services transferred to the customer in exchange for consideration, are satisfied. The adoption of ASC 606 did not have a material impact on the financial statements of the Organization upon adoption.

NOTE A – SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Revenue Recognition (Continued)

Contributions are recognized as revenue when they are received or unconditionally pledged. The Organization reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, donor restricted net assets are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. Donor imposed restrictions that are fulfilled in the same period they are received are recorded as unrestricted support.

The Organization reports gifts of property and equipment as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. Gifts of goods and services which are used in providing program services are included in program service expense. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. Absent explicit donor stipulations about how these long-lived assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Tax Status

Guiding Light Mission, Inc. is a not-for-profit organization and is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. Guiding Light Mission, Inc.'s Subsidiary is a for-profit entity owned 100% by Guiding Light Mission Inc. and files a consolidated Form 990 with Guiding Light Mission, Inc. The Subsidiary's income is reported as unrelated business taxable income on the Form 990-T that is filed with the Internal Revenue Service. There are no taxes due with the Form 990-T for the years ended June 30, 2022 and 2021, respectively. The Subsidiary has available net operating losses of approximately \$575,000 to be carried forward to offset taxable income in future tax years without expiration.

The Organization does not believe it has taken any uncertain tax positions and no asset or liability has been recorded for an uncertain tax position.

NOTE A – SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Concentrations of Risk

The Organization's financial instruments that are exposed to concentrations of credit risk consist primarily of cash and cash equivalents. The Organization places its cash with high quality financial institutions. The Organization has entered into an arrangement with a financial institution that ensures that the Organization's financial instruments are not exposed to potential loss for balances that may exceed FDIC insured limits in the aggregate.

The Organization receives a substantial amount of its revenue from various individuals, churches and organizations. A significant reduction in the level of this support, if it were to occur, may affect the Organization's programs and activities.

Contributed Services

A number of individuals volunteer their time for the Organization's program services and general operations. The contributed services are not specialized in nature, and are not reported as revenue and expenses in the accompanying financial statements. These services do not meet the criteria for recognition as donated services.

NOTE B - LIQUIDITY AND AVAILABILITY

The Organization receives significant contributions and promises-to-give restricted by donors, and considers contributions restricted for programs which are ongoing, major, and central to its annual operations to be available to meet cash needs for general expenditures. The Organization manages its liquidity and reserves following three guiding principles: operating within a prudent range of financial soundness and stability, maintaining adequate liquid assets to fund near-term operating needs, and maintaining sufficient reserves to provide reasonable assurance that long-term obligations will be discharged.

NOTE B – LIQUIDITY AND AVAILABILITY (CONTINUED)

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the balance sheet date, comprise the following:

	June 30, 2022	June 30, 2021
Cash and cash equivalents	\$ 423,235	\$ 781,392
Accounts receivable	686,846	175,604
Pledges receivable	0	10,000
Investments	3,417,400	2,849,184
	4,527,481	3,816,180
Less:		, ,
Net assets with donor restrictions	(48,846)	(32,346)
Board designated net assets	(157,123)	(157,123)
	(205,969)	(189,469)
Net financial assets available	<u> </u>	*
for general expenditures	<u>\$ 4,321,512</u>	<u>\$ 3,626,711</u>

The Organization also could draw upon \$250,000 of available line of credit (as further discussed in Note D).

NOTE C - FAIR VALUES OF FINANCIAL INSTRUMENTS

The Organization reports its fair value measures using a three-level hierarchy that prioritizes the inputs used to measure fair value. This hierarchy, established by GAAP, requires that entities maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The three levels of inputs used to measure fair value are as follows:

- Level 1 Quoted prices for identical assets or liabilities in active markets to which the Organization has access at the measurement date.
- Level 2 Inputs other than quoted prices included in level 1 that are observable for the assets or liabilities, either directly or indirectly. Level 2 inputs include:
 - o quoted prices for similar assets or liabilities in active markets;
 - quoted prices for identical or similar assets in markets that are not active;
 - o observable inputs other than quoted prices for the asset or liability (for example, interest rates and yield curves); and
 - o inputs derived principally from, or corroborated by, observable market data by correlation or by other means.
- Level 3 Unobservable inputs for the assets or liabilities. Unobservable inputs should be used to measure the fair value to the extent that observable inputs are not available.

NOTE C – FAIR VALUES OF FINANCIAL INSTRUMENTS (CONTINUED)

When available, the Organization measures fair value using level 1 inputs because they generally provide the most reliable evidence of fair value. The Organization measures fair value for their investments using level 1 inputs. The primary uses of fair value measures in the organization's financial statements are to measure its investments.

The following tables summarize the levels in the fair value hierarchy of the organization's investments at June 30, 2022 and 2021:

Tour officed suite 50, 2022		
	Total	Level 1
Cash equivalent funds	\$ 20,522	\$ 34,374
Certificates of deposit	3,196,876	2,621,087

		3,139,371		2,971,737
Less accumulated depreciation	_	1,436,167)	(1,320,676)
	<u>\$</u>	1,703,204	\$	1,651,061

NOTE E - BANK LINE OF CREDIT

The Organization has a \$250,000 unsecured line of credit with a bank. This line of credit arrangement bears interest according to the prime rate index minus .25% (4.50% at June 30, 2022), subject to a minimum interest rate of 3.0%. This line of credit arrangement has a maturity date of January 31, 2023. There were no borrowings under this line of credit arrangement as of June 30, 2022 and 2021.

NOTE F – BOARD DESIGNATED FUND

Guiding Light Mission, Inc. has established a Board designated fund. The terms of the fund require the principal and the income earned by the fund to be used for the Organization's maintenance, expansion, and upkeep of its physical properties, providing seed money for new programs for no longer than five years per program and giving to missions. Fund monies are not to be used for the ordinary operating expenses of the Organization. No transfers were made from the Board designated fund to the Organization's operating fund during the years ended June 30, 2021 and 2020.

NOTE G-RETIREMENT PLAN

The Organization maintains a retirement plan for eligible employees. The plan is a SIMPLE IRA which permits employee compensation deferral as well as employer contributions. Contributions to the plan by the Organization were \$11,399 and \$9,069 for the years ended June 30, 2022 and 2021, respectively.

NOTE H - NON-CASH DONATIONS

Donated goods received are comprised primarily of food. Relatively small amounts of donated goods are received in the form of clothing and other incidental items as well as donated services.
